If you wish to appeal, the Appeals Procedure can be found at <http://www.cambridgeenglish.org/help/enquiries-and-appeals>. The Appeals Procedure focuses on whether, in the course of reaching decisions, procedures consistent with the regulatory authorities' code of practice were used and that these procedures were applied properly and fairly in arriving at judgements. The Appeals Procedure is not concerned with making judgements about candidates' work in the examination; an appeal will not involve re-marking or re-assessment of a candidate's work, although further re-marking might be ordered as a result of an appeal if it is found that procedures have not been satisfactorily followed.

Yours sincerely
